

WHAT IS IT?

"REAL ID" comes from the REAL ID Act of 2005, a federal law that focused on fraud protection, anti-terrorism, and driver license and nondriver license identification card (ID card) security. The REAL ID Act prohibits federal agencies from accepting driver licenses and ID cards from states that do not meet these standards. Access to federal facilities open to the general public for purposes of applying for or receiving federal benefits will continue to be allowed. Beginning **May 3, 2023**, every air traveler **18 years of age and older** will be required to present a REAL ID-compliant driver license or ID card, or another form of ID accepted by the Transportation Security Administration, to board federally regulated domestic flights. **Travelers who do not present a REAL ID-compliant license or acceptable alternative will not be permitted through the security checkpoint.**

WHAT'S THE DIFFERENCE?

Missouri's REAL ID-compliant driver licenses and nondriver ID cards will have a **star** in the upper right-hand corner.

A license or ID card that is not compliant with REAL ID will have "**Not for REAL ID Purposes**" in the upper right-hand corner.
